

Leonard Peltier Annual Holiday Gift Drive

The Lakota People have four values to live by: bravery, wisdom, generosity, and fortitude. Generosity (Wacantognaka) is essential to a Lakota. It is better to give a lot than to have a lot. The best way to honor people is through giveaways (otuhan) where the givers share much of what they have with others, sometimes giving away everything in their possession. Leonard Peltier offers all his supporters an opportunity to give something back and honor the Lakota people.

He respectfully requests your help making these holidays a little brighter and this winter a little warmer for the children at the Pine Ridge Indian Reservation. Please send new toys, coats, socks, shoes, clothing, to:
